Chapter: **8** Section: **1** **Reading Strategy**

Name:

Date:

Directions: **Making a Time Line** Use the time line below to list at least five key events and dates in Europe's history.

A horizontal timeline with arrows at both ends. Five vertical tick marks are placed along the line. Above the line, three empty rectangular boxes are positioned between the first, second, and third tick marks, and between the fourth and fifth tick marks. Below the line, two empty rectangular boxes are positioned between the second and third tick marks, and between the third and fourth tick marks.
